Music in the Vineyards 30th Anniversary

Step into a legacy of musical excellence as we proudly present the 30th season of Music in the Vineyards! Our mission is to enrich people's lives through the power of music; we are eager to celebrate our past achievements while launching MITV into an inspiring future for the next 30 years.

The festivities open at **Frog's Leap**, with Spring Ahead! featuring Beethoven's *Spring Sonata*, Vivaldi's *Spring* from *The Four Seasons*, and Copland's *Appalachian Spring*. Three fabulous string quartets will join us for a week each: the **Miró, Pacifica**, and the **Isidore Quartets** and we bring back our interactive Community Concert with a play along of the Pachelbel Canon plus the popular Not-So-Silent Cinema. Throughout our 30th season, journey through favorite festival memories including the revival of four commissioned works and vineyard venues from our early years. At each venue and on our website, immerse yourself in the nostalgia of MITV with our exhibit of memorabilia, photos, and trivia. We'll close this milestone year with **Espléndido! — From Bach to Brazil**, a dazzling celebration starring the multifaceted Brazilian musician, **Clarice Assad**.

Join us in August as we raise a glass together, to 30 years of Music in the Vineyards!
